A COMMUNITY CELEBRATING THE CREATIVE SPIRIT

Each year at the height of the fall season, artists of the Riverwest neighborhood put down their rakes and open their doors for one of the finest walking art tours in the Great Lakes region. Now in its twenty-fifth year, **ArtWalk 2009** is the first and largest in the city of Milwaukee and has spawned numerous other neighborhood artwalks including Bay View, Washington Heights and Waukesha. **ArtWalk 2009** provides an interface for artist and arts appreciator by inviting the public into artists' studios, homes, businesses, and galleries in the Riverwest neighborhood.
